SIR:

Priority of GB 0313515.9 filed **11 June 2003** (or **06/11/2003** in US *mm/dd/yyyy* format) was and is claimed in this application. The above/correct filing date of the priority application is shown in the record by:

- 1) International Stage (PCT) Publication WO 2004/110858.
- 2) The copy of the priority document filed on 01/07/2007.
- 3) The PTO Notice of Acceptance mailed 03/16/2007.
- 4) The PTO Filing Receipt mailed 03/16/2007.
- 5) The substitute Declaration filed on May 15, 2007.

However, the US Published Application No. 2004/0167093 issued on July 19, 2007 for this application incorrectly listed the priority date as Nov. 6, 2003 [or 11/06/2003, evidently a mistaken interpretation of the correct filing date of 06/11/2003]. Thereafter, the priority date in PAIR was erroneously changed to and remains as May 12, 2003.

Applicant requested correction of the incorrect priority date of May 12, 2003 in the Amendment filed September 3, 2008. However, no action has been taken to correct the priority date even though a Notice of Allowance was mailed on November 6, 2008.

Therefore, it is again requested that the correct priority date for this application, which is
amply shown in the record, be immediately corrected to June 11, 2003 (or 06/11/2003 in US
mm/dd/yyyy format).

Respectfully submitted,

Date: November 18, 2008
